

# DroneWISE EU Project Final Conference

**20<sup>th</sup> May 2022**  
**Šibenik, Croatia**

A two year EU Project DroneWISE is almost finished. The final conference is presentation of work done by six partners from Bulgaria, Croatia, Estonia, Germany and Greece.

DroneWISE developed a holistic first-responder agency command, control and coordination strategy, underpinned by evidence-based training for the counter-terrorism protection of public spaces.

**Introduction to training modules**  
**Panel discussions**

**VENUE: Amadria Park, Šibenik, Croatia**

The first and largest convention centre in the Croatia and Adriatic region.

**FREE attendance**

# COUNTER UAV

SHOW EUROPE 2022

***Join the biggest  
counter UAV event  
in Europe in 2022!***

**18th - 19th May 2022  
ŠIBENIK, CROATIA**

**SAVE  
THE  
DATE**

Counter UAV Show Europe is intended for LEA and emergency services as well as manufacturers in the field of critical infrastructure protection, crisis management, security and risk management, and other experts in the field concerned by the emerging threats from rogue drones.

At the core of this major event will be vendors and manufacturers as well as dedicated EU projects, presenting and demonstrating their solutions, projects results and ideas in protecting air space, public spaces and critical infrastructure sites from the emerging drone threats.

**VENUE: Amadria Park, Šibenik**

**Exhibition and sponsorship opportunities**

*Number of participants is limited.
